

CUPID WAS ACTIVE

DURING THE FIRST WEEK OF JUNE
MANY MARRIAGES OCCUR.

On Tuesday the Marriage of Mr. Barrall and Miss Bone is celebrated at High Noon at the Plymouth Congregational Church—On Wednesday, at Sunrise, the Marriage of Miss Beech and Mr. Alexander; at Noon, the Catons; and, on Thursday, is celebrated the Nuptials of Gerald Volk and Miss Grace Jewett.

The first week of June in 1896 will long be remembered as the week of weddings in Wichita. Yet it is said by the knowing ones that the week was as a drop before the shower, and before the month closes several well known members of Wichita's society will have joined the ranks with those who at Hymenial's altar have pledged their love for the journey of life. The Eagle has given extended notice of the happy events and but a recalling will suffice as this time.

BAIRALL-BONE.
At the Plymouth Congregational church on Tuesday, June 2, occurred the marriage of Mr. Harry Carruthers Bairall of Spokane Falls, Wash., and Miss Lucile Bone of this city. The ceremony was solemnized by Rev. J. Sidney Gould and was witnessed by a large number of friends, who had assembled to wish the happy couple hearty congratulations upon a union which bespoke only of a bright and happy future. The couple took the evening train for their western home.

ALEXANDER-BEECH.
Just after the sun had risen to all its glory on Wednesday morning, June 3, in the decorated parlors of Colonel Beech's home on North Walnut street, the guests and friends of his accomplished and esteemed daughter—Miss Ada—began to assemble to witness the ceremony which gave Ada as the bride of V. R. Alexander. A few minutes after 6 o'clock the couple entered the parlor while Miss Anna Zeininger played the wedding march, preceded by Miss Clair Beech and Miss Maud Freeland as flower girls, and with Miss May Mock and Mr. Fred Beech, they stood before Rev. Mr. Beech, pastor of the St. Paul M. E. church, and were pronounced man and wife.

CATON-ASH.
Wednesday at noon was the important hour when Miss Irma Ash and O. G. Caton pledged their love to each other at the residence of the bride on South Market street. Only a few witnessed the impressive ceremony, but from many a heart in Wichita welled the wish that their future might be as bright as was its promise on the beautiful June day when Rev. Mr. Lawrence pronounced the words that united for life two so well and favorably known in Wichita.

VOLEK-JEWETT.
Many in Wichita were greatly surprised when they learned that the marriage ceremony of Miss Grace Jewett and Mr. Gerald Volk had been pronounced by Rev. Mr. Hewitt of Emporia, Kansas, at the residence of the bride's sister, Mrs. McCabe, 240 North Emporia. While the wedding was a quiet one it was none the less brilliant and impressive. The parlors were decorated with palms and to the time of the wedding march the happy couple advanced to the center of the room where the minister who had known the bride from childhood gave his young friend as the bride of Mr. Gerald Volk. The newly married couple took the train for Emporia and other eastern points followed by the best wishes of their many Wichita friends.

ALUMNI RECEPTION.
Friday evening occurred the annual reception of the alumni of the Lewis academy at the residence of Miss Elva Walker. A short program was presented. Miss Elva, the retiring president, made her address which was full of interest. Miss Gertrude Jackson, the president-elect, delivered an address full of hope and cheer. Miss Mary Hawkins, historian, then gave a full history of the class for the past ten years. The following officers were elected for the ensuing year: Miss Gertrude Jackson, president; Miss Sule Merrill, vice president; Miss Maud Lewis, treasurer; Mr. Ernest Kramer, secretary; and Diamond Mitchell, historian. DECORATED CHINA.
Miss Kaufman and her class of pupils gave an interesting exhibition at the Fletcher block Thursday, Friday and Saturday of the past week, which was the subject of many complimentary mentions on all sides. The whole appearance could not have been more artistic. The work on exhibition was varied and beautiful. There were bouillottes, exquisite vases, fernieres, jardiniere, rose bowls and hot bonnetes in pinks, in violets, in large chrysanthemums, in dog wood, in roses and in fact in everything that can better be imagined than described. Pretty tea sets, chocolate sets, smoking sets, chop sets, dinner sets, etc., decorated in forget-me-nots, daisies, wild roses and adorned with gold scrolls caught the eye at every turn and called forth many exclamations. Throughout the afternoon and evening fringes were served to the guests. Amongst those who exhibited were: Mesdames Sidney Neff, J. N. Haymaker, Dean Gordon, W. B. Throckmorton, E. E. Blackley, H. T. The Pellets cure biliousness, sick and bloated heads, dizziness, constipation, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heartburn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. One little "Pellet" is a laxative, two are mildly cathartic.

Of all known agents for this purpose, Dr. Pierce's Pleasant Pellets are the best. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from habitual constipation, piles and their attendant discomfort and manifold derangements.

FOURTH OF JULY CELEBRATION

It will be Celebrated Here in Due and Ancient Form.

Wichita will celebrate the glorious Fourth of July with all the pomp and reverence due an event that gave absolute liberty to do right to over 70,000,000 people. A party Wichita men have taken hold of the matter and propose to make it a great success. The celebration will be held in the State Fair grounds and a contract has been made with the street car company to supply enough cars to handle 8,000 people. In addition to the local facilities for transportation, the railroads will give excursion rates from all directions and for a distance of 100 miles. Each person attending the celebration will be given a ticket entitling them to a chance in a premium of six standard bicycles offered as an advertisement. This, in itself, will be a great inducement to visitors to attend the celebration. In addition there will be horse racing, bicycle racing, acrobatic exhibitions and above all a race to the clouds between two balloons. This is the first time that such a race as this has been offered the people of the west and it will be a magnificent drawing card. Three bands of music will be present. This is only a mere announcement, and outline of the celebration and what is proposed to be done; more complete details will be given later.
